

Rain Barrel Workshops

Administered by:

Franklin Soil and Water Conservation District
Creating Conservation Solutions for Over 60 Years

GreenSpot members are invited to purchase a discounted 45 gallon rain barrel for only \$55 (limit one per household). Not a member yet? [Join today at www.ColumbusGreenSpot.org](http://www.ColumbusGreenSpot.org)

Next, you'll need to either attend an in-person workshop by signing up using the registration form on the opposite side of this document **OR** take part in an online at-leisure workshop (open County wide) at <http://stormwater.franklinswcd.org>.

Come learn about urban stormwater, its harmful effects on local waterways, and methods to help mitigate stormwater damage and conserve rain water.

Note: Residents who have participated and have received a barrel from the GreenSpot Rain Barrel Program in previous years are **not** eligible. If you are looking for additional barrels we urge you to shop local. Many vendors in central Ohio carry the same or similar rain barrel model.
